COMMONWEALTH BUREAU OF CENSUS & STATS.

Introduction

Statistics of population totals as recorded by field personnel during the taking of the Census of 30 June 1966 have already been published in Field Count Statements numbers 1 - 12.

Statistics of the characteristics of the population and of dwellings as compiled from Householder's Schedules will be issued progressively in mimeographed form for each State and Territory as they become available.

Each bulletin will be allotted a two-figure code (e.g. 8.3). The first digit identifies the State or Territory concerned and follows the order used in tables in Bureau publications; viz.

1 - New South Wales;
2 - Victoria;
3 - Queensland;
4 - South Australia;
5 - Western Australia;
6 - Tasmania;
7 - Northern Territory;
8 - Australian Capital Territory; and
9 - Australia

The second digit identifies the content of the bulletin, as follows:

1. Summary of population;
2. Summary of dwellings;
3. Ages of the population according to marital status;
4. Ages of the population according to industry;
5. Birthplaces of the overseas born population according to nationality;
6. Occupational status of the population according to industry;
7. Occupational status of the population according to age and marital status;
8. Population and dwellings in local government areas.

A list of the 1966 Census bulletins so far issued in this series is contained on page 11

Additional bulletins will be issued for Australia as a whole in late 1967.

NOTE

The figures published in this bulletin include particulars for the Jervis Bay District of the Australian Capital Territory.

Persons having diplomatic immunity (diplomatic and home-based staff of diplomatic missions, and their families) are not included. The number of such persons in the Australian Capital Territory at 30 June 1966 was approximately 1,200.

All tables in this bulletin exclude particulars of full-blood Aborigines.

Any discrepancies between totals and sums of components in percentages in tables are due to rounding.

A statement of the procedure used to obtain details of age and of marital status of the population at the 1966 Census is contained in Census Bulletin 8.1 - "Summary of Population, Australian Capital Territory".
